

Equal Opportunities Policy Statement

Propellerhead Support Services welcomes diversity amongst its staff and visitors, recognising the particular contributions to the achievement of the companies mission that can be made by individuals from a wide range of backgrounds and experiences.

In relation to staff, the policy and practice of the company require that all the staff are afforded equal opportunities within employment and that entry into employment with the company and the progression within employment will be determined only by personal merit and the application of criteria which are related to the duties of each particular post and the relevant salary structure.

In all cases, ability to perform the job is the primary consideration. Subject to statutory provisions, no applicant or member of staff will be treated less favourably than another because of his or her sex, marital status, sexual orientation, racial group, or disability.

Yours sincerely
